To access the car park, please pull up to the far right of the barrier and press the buzzer to speak to our receptionist.

There is an anti-clockwise one way system in the car park. As you turn right on entry into the car park, the entrance to Kendal Court is ahead of you and to the right.

There is convenient pedestrian access between our office and both Telford Centre (with its bus station and many shops and services) and Telford Central train station. Pedestrian access to Kendal Court is to the right of the barrier to the car park.

Upon entering the building, our reception is immediately to your right.
